PRESIDENT'S MESSAGE

To the DCRA 2024 Bisley Team members, greetings and thank you for your dedication and commitment in representing our Association at the 2024 NRA Imperial Meeting, once again at the National Shooting Centre in Bisley.

This year is a watershed moment for our Association with the team operating under a renewed framework and a reinvigorated approach into the future. Not only are we looking forward to expanding our participation with the addition of F Class shooters in the coming years, but with the transition of the CPBL management to the Maple Bridge Group, an updated base to support our teams now and into the future. Canadians have been a fixture at the Imperials now for well into a second century and it is exciting to see a renewed interest in, and capability to support, our members across our disciplines in competing against the best that the UK and other nations can offer. Team Captain Pat Vamplew and Adjutant Carmela Mohideen have under their care and leadership both experienced Bisley participants (such as the four Mohideen family members on the team) as well as 2 shooters on their first Bisley experience. With 4 former team captains, the team and leadership will not lack in expertise or advice both on the mound as well as in managing the team, to work on a smooth trip and to producing the best results possible the talent that the team brings to the matches.

Whether new to Bisley or returning, all the team should find a warm welcome at the Pavilion, which has been undergoing extensive renovations this spring. Preserving the essential "Canadian" feel of our home-away-from-home, the CPBL management team has significantly updated the accommodations and common areas to modern standards. This work will continue into the next year, but this year's team will see a marked change in the support available to them – all welcome news with the aim of promoting stronger results at the range!

In closing, to you all – good shooting, our wishes for some personal bests for each of you and thank you for representing our nation!

Matthew K. Overton
 Brigadier-General (Retired)
 President, Dominion of Canada Rifle Association

WITH PROFOUND GRATITUDE TO OUR PATRONS

We extend a heartfelt THANK YOU to all our patrons for their invaluable contributions of time and money. Your support has been instrumental in restoring and improving our cherished building, a symbol of both Canadian and British history.

A special thank you to:

Lou Tucci and Alberta Bentivogli: Your significant financial contributions have been monumentally pivotal in the restoration and improvement of the building.

Derek Heyes and Kelli Heyes: Your time, expertise and financial support have been crucial in restoring and improving the building.

Alex Mant and Melanie Haros: Your important financial donations have greatly aided the restoration and enhancement of the building and its facilities.

James Spratley: Your substantial financial contributions, along with your skills and leadership, have been vital in the entire restoration and improvement project.

Marija Torlakovic and Family: Your commitment, business knowledge, and generous donations came at a critical time, helping to save the building in a crucial time.

Eric Launer and Andrei Ossipov: Our dedicated Canadian contractors, who generously donated numerous hours of expert skills and abilities. Your leadership in guiding our Canadian-UK team of trades through the entire process has been invaluable.

Their commitment to preserving this great icon of Canadian and British heritage is truly inspiring. We look forward to many more years of Team Canada and other international guests enjoying the beautifully restored Canadian Pavilion! Thank you once again to all our patrons. We could not have done this without each and every one of you. Your support ensures that the building's legacy continues to thrive for generations to come!

With deepest gratitude,
Canadian Pavilion

THE MANITOBA PROVINCIAL RIFLE ASSOCIATION

**Best Wishes to the
2024 Canadian Bisley Rifle Team at
the 155TH Target Rifle Imperial Meeting**

www.manitobarifle.ca

Commandant's Message

Attending the 155th NRA Annual Prize Meeting for the 2nd time as Commandant is indeed a great honour. Thank you to the DCRA Council for this gracious opportunity. The annual Bisley experience is truly something special. The 2024 Canadian Rifle Team to Bisley is looking forward to the "new look" Pavilion.

This year will mark the 127th Anniversary of the Canadian Pavilion. This year the Team and DCRA will assist the Maple Ridge Group (Lou/Alberta Tucci, James Spratley and Marija Torlakovic) in managing the Pavilion. Formerly known as the MacDonald Stewart Pavilion, the "new look" Pavilion has just had the Stage 1 overhaul on the outside and inside. When Stage 2 is completed the outside tiles and roof will be completed. The Pavilion's future looks much brighter indeed for the next 100+ years!

The 2024 Bisley Team is looking forward to continuing its friendship "friendlies" with the Barbarians, RAF, Welsh, BCRC, the NLRC and the Sussex Home Guard.

This year's team has a mixture of young and old. There are 3 new caps to the 2024 Bisley Team. The most interesting feature of the Team is the fact that four members from one family is making the trip as members of the Bisley Team! Adjutant Carmela Mohideen is being joined by her husband perennial Team member Fazal and, her two sons Andrew and Nicholas! Probably a first for a Canadian Bisley Team!!

I would like to thank all those who assisted in the planning and preparation of this year's team. To my Adjutant, you have kept the "ship afloat", on the straight and narrow. To my bride who has had my back....again. Thank you. Finally, to all the sponsors, James and Marija, we are all very grateful for your support and vision for the Canadian Pavilion. The DCRA and Team thank you.

Finally, to all of the 2024 team members, the Admin Team would like to thank you for your resounding support over the last year. The 2024 Bisley experience can be your oyster! Enjoy renewing old friendships and may the V's be with you!!

THE 2024 CANADIAN RIFLE TEAM TO BISLEY

Patrick Vamplew

TEAM COMMANDANT

This will be Pat's 12th trip to Bisley, 10 times as a member of the Bisley team, once as coach of the Cadet Bisley Team and some 7 decades later as a member of the 69' Cadet Bisley Team along with perennial Team members Bob Best and the late Peter Hornsby. Pat is pleased to have been chosen as Commandant on this second occasion. The 2024 Team has a mixture of young and old. The most interesting feature of the squad is having 4 members of one family on the Team! His Adjutant Carmela, her husband Fazal and two sons Andrew and Nicholas are members of the 2024 Team.

Pat's shooting career began in the 60's and continued through until 2019. A bike accident during Covid has probably ended his sling career. Now during retirement, he serves on the Ontario Rifle Association (ORA) Board as Treasurer and spends most weekends acting as the TR /F Class range RSO.

Enjoying winters in Florida with his bride Donna allows Pat to partake in his new winter passion of Benchrest .22 and organizing smallbore events around the region of Miami. During the spring and summer months he also serves as VP of the Rifle Section of OnTarget (ISSF Rifle).

Carmela Mohideen

TEAM ADJUTANT

This will be Carmela's first trip to Bisley as a non-shooting member of the Canadian Rifle Team. Carmela served as Adjutant for the 2019 Canadian Palma Team in Trentham, New Zealand and is honored to be the 2024 Bisley Team Adjutant. This is not Carmela's first time in Bisley as she has accompanied her husband, Fazal Mohideen on a few of his tours with the Canadian Rifle Team to Bisley. This trip to Bisley is extra special for Carmela; she is extremely excited to share in this year's team experience as her twin sons, Andrew and Nicholas, are representing Canada alongside their father Fazal on the Canadian Rifle Team in Bisley for their first time together.

Carmela worked within the pharmaceutical industry for over 20 years holding positions in documentation management and regulatory affairs until she left the industry to work for the family business. Carmela resides in Pickering, ON where she enjoys spending time with her family and their family dog Winston, travelling the world and supporting her husband and sons on the shooting range.

Peter Westlake

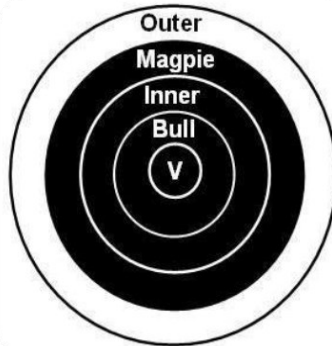

HEAD COACH

Peter was born in Newmarket, Ontario and started shooting through his involvement with the Army Cadet program. Peter has been a member of the ORA and DCRA since 1988. He has competed in Bisley on 16 occasions, and he has also been a coach for Canada in the past 7 Palma Matches. He has also coached many victories for both Ontario and Canada and considers wind coaching a true passion.

Peter has served on the Council and Executive Committees for both the ORA and DCRA for over 20 years and is extremely proud to have been elected as the youngest Commandant ever for the Canadian Rifle team to Bisley in 2009. He was also Commandant of the Royal Canadian Army Cadet National Rifle Team to Bisley in 2012 and Captained the Canadian Palma Team to Camp Perry in 2015.

Peter is employed with the Department of National Defence as an Operations and Plans officer and currently resides in Utopia, Ontario with his wife Shannon (who will be representing Canada in the 3-Position Shooting event at the 2024 Summer Olympic Games in Paris) and their almost 11 year old son William.

Antony Betts

Tony has been a member of the DCRA Team to Bisley and Canadian Palma Team both as a shooter and coach. He first saw the famed Bisley Camp and its ranges as a Royal Canadian Army Cadet many years ago. Tony always looks forward to the unique experience and challenges the famed Stickle-down and Century ranges present.

Tony spends his winter in the West Coastal Mountains of British Columbia teaching skiing and his summers in Ontario. When not on the rifle range he enjoys golf and this summer hopes to get some time boating on the many lakes and rivers of south central Ontario.

Gary Bendik

Gary is a consultant in the pharmaceutical industry who was inspired into the realm of target shooting over 22 years ago by fellow colleague and teammate, Fazal Mohideen, having never before shot a high-power rifle.

Gary took to the sport immediately and has since served Team Canada in the 2007 and 2015 Palma matches, two America Matches including several Canada and Commonwealth matches. Although shooting has taken a back seat over the past few years, Gary still manages to represent at the Canadian Fullbore Championships with achievements including 5 Grand Aggregate bronze crosses and winning prestigious long range matches such as the M.F.C Walker aggregate, Gzowski Challenge Cup, and Helmer Trophy. This year, Gary heartily accepted the invitation to join Team Canada for his third tour to Bisley, his last trip having been in 2017.

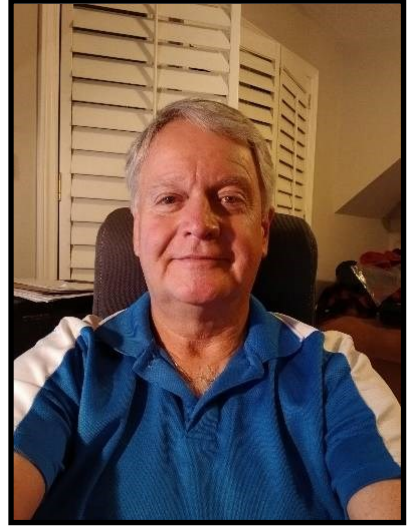

When not shooting for Canada, Gary trains at home with the Ontario Rifle Association and various clubs across the province whenever the opportunity (or wife) permits. Off the range, Gary enjoys spending time and travelling abroad with his family - relishing any remaining time perfecting his skills as an avid outdoorsman and gardener. His latest botanical project is raising ultra hot peppers, including the infamous Carolina Reaper from seed to harvest! This summer is sure to be a hot one for Gary who is extremely honoured to be part of this strong, if not piquant, Canadian Team.

Gary Bowman

Gary has been shooting Fullbore TR now for over 50 years and has represented Canada numerous times at Bisley and Palma competitions, as well as the Commonwealth Games.

He is actively involved in shooting organization as Chairman of Finance for the Ontario Rifle Association. Gary has been “retired” for a year now after many years in senior management with a number of telecom companies in Canada.

He currently lives in Mississauga, just west of Toronto with his wife and family. He is still married to the same wonderful woman who tolerates his absences. His other hobbies, time permitting, include golf and restoring his MG sports cars.

Bruce Bullock

Bruce is a 53-year-old Certified Financial Planner from Toronto Ontario making his 15th trip on an official Canadian Team.

He is married to Cindy; they have a 17 year old son Jesse who also shoots. Bruce comes from a family of shooters, his Mother Carol, Father Jim, Uncle Bob and Grandfather Don have all competed internationally.

On the off season he enjoys spending time with his family, playing ice hockey as a goaltender and golfing.

Catherine Choquette

Catherine Choquette has been shooting target rifle since making her way through the fullbore program with the Royal Canadian Army Cadets. She was a member of the 2010 Canadian Army Cadet National Rifle Team, earning the Belzile Trophy for top shot as well as winning the Macdonald Stewart prize for highest Canadian Under 25 shooter at the 2010 CRFC.

She enjoyed coaching and mentoring cadets as a Marksmanship Instructor for four years in the fullbore program. In her spare time away from shooting, she enjoys yoga and spending time with her nephews in her hometown of Ottawa, Ontario. As an Ojibwe woman from the Batchewana First Nations, Catherine has been spending time reconnecting with her ancestral roots in her native lands on the North shore of Lake Superior near Sault Ste. Marie, Ontario. Catherine works for the Department of Fisheries and Oceans as a software developer.

This will be the fourth time Catherine is a member of the Canadian Rifle Team to Bisley, having previously shot with the team in 2017, 2018 and 2022. She looks forward to competing this year with a team full of esteemed returning members.

Braden Colman-Sadd

Braden started shooting air rifle as a cadet and soon progressed to .22 and fullbore target rifle. He first attended the Canadian Fullbore Rifle Championships in 2018 and has participated in each CFRC since. Braden's first international team trip was as a member of the Canadian team to Bisley in 2019. He returned to Bisley in 2022 and 2023, qualifying for the Queens final for the first time in 2022.

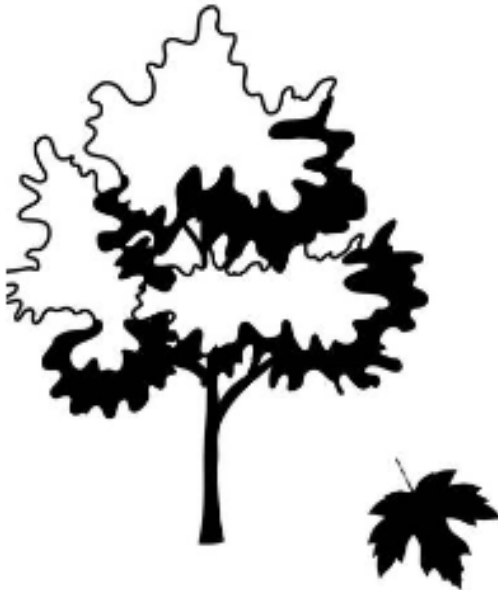

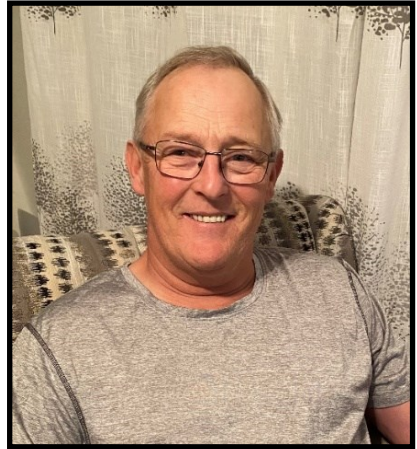

In 2021, Braden traveled to the South African Open TR Championships and returned in 2024 for the World Long Range Championships, where he finished 10th in the Under-25 World Championships and 3rd in the U25 short range aggregate. He also finished with the highest score from a Canadian in the Palma match.

Outside of shooting, Braden is pursuing an engineering degree and enjoys playing hockey. He is looking forward to the 2024 Imperial Meeting with a great group of Canadian shooters.

Mark Clark

Born and raised on the Magdalen Islands, Quebec. Started fishing at a very young age of 14. Became Captain of my own fishing vessel at the age of 21. Had an interest and love for shooting rifles as a youngster. My first competition was shooting F class on Prince Edward Island in 2014. Continued to shoot F class for 2 years then converted to Target Rifle. Had the pleasure of shooting at Bisley in 2019, in Ottawa and Quebec and throughout the Maritimes. Have the opportunity of shooting 1000 yards at my own leisure near my home on the Magdalen Islands. Looking forward to another Bisley experience and meeting fine shooters from all over the world.

Emmanuel Gauvin

This year will be Manny's 16th Imperial Meeting in U.K. He has been a Queen's 100 finalist on 4 occasions, St-George's 100 finalist also on 4 occasions and has been a proud member of Kolapore, Mackinnon and Overseas Teams matches representing Canada.

Manny returned to shooting in 2019 and he's extremely honoured to be a member of the Canadian Rifle Team to Bisley and looks forward to participating in the success of the 2024 Team.

A happily retired business owner since 2014, Emmanuel is now volunteering on different regional non-profit organization Boards as well as selected Start-up businesses.

Emmanuel now enjoys everything life can bring by traveling the world!

Cette année sera la 16 e présence d'Emmanuel à Bisley pour le championnat Impérial en Angleterre. Il a été parmi les 100 finalistes à quatre occasions pour la finale du prix de la Reine ainsi qu'à quatre occasions pour la finale du St-Georges.

Après une pause d'une dizaine d'années, Emmanuel est fier et honoré de représenter à nouveau son pays lors des compétitions individuelles et par équipe pour cette 155 e édition du championnat Impérial.

Emmanuel a pris sa retraite en 2014 suite à la vente de son entreprise. Il demeure bénévole au sein de différents conseils d'administrations d'organisme à but non lucratif et s'implique également auprès d'entreprises en démarrage.

Depuis, il occupe son temps sur ses terres agricoles, forestières et il voyage partout sur la planète!

Andrew Mohideen

This will be Andrew's first Canadian Bisley team. Andrew has been shooting since the age of 12 as he started with prone smallbore and gradually worked his way up to fullbore rifle shooting. Andrew is the youngest person to win the Mercer Memorial Grand aggregate at the ORA matches since its inception and was the Ontario Electronic Indoor Champion in 2024.

Andrew is looking forward to competing at Bisley and taking in all the history and tradition Bisley has to offer. On Andrew's spare time he plays golf and likes spending time with his family. Andrew is in the 4th year of studies at Brock University.

Andrew is looking forward to this event as he will be joined on the team by his father Fazal, mother Carmela and brother Nicholas.

Fazal Mohideen

Fazal is very proud to be representing Canada in Bisley this summer. This will be Fazal's 12th trip to Bisley. Fazal has qualified for 18 Bisley teams, 7 America match teams, 5 Palma's, 4th place at the 2007 World Long Range Individual Championships, 18 Governor General's finals, 3 top 5 finishes in the Governor General's Finals, 2 Canadian Target Rifle Championships, 2 seconds and 2 third place finishes in the Canadian Target Rifle Championships, 1 Queens badge, was the waiting man at the 2014 Commonwealth Games, 2 Lt. Governors victories in his home Province of Ontario and 33 Lt Governors final badges.

In 2019 Fazal won shooter of the decade and was inducted into the DCRA shooting Hall of Fame.

Fazal had a great trip to Bisley in 2023 and looks forward to meeting new and old friends from around the world.

This year will be a special trip for Fazal as he is accompanied by his wife Carmela who is the Adjutant of the team and his two sons Andrew and Nicholas who qualified for their first of many Bisley teams.

Nicholas Mohideen

This will be Nicholas's first Canadian Bisley team. Nicholas has been shooting since the age of 12 with his twin brother Andrew. Nicholas started shooting .22 rifle and at the age of 15 started shooting fullbore. Nicholas qualified in the top 18 at the DCRA National Matches in 2023 and won the top SS in the DCRA Grand Aggregate at the 2022 National Matches.

Nicholas is in his 4th year at Brock University where he is studying Sports Management. In his spare time Nicholas likes to play hockey and golf.

Nicholas is looking forward to sharing this trip with his father Fazal, mother Carmela and brother Andrew as the family is all involved with the 2024 Canadian team. Nicholas is looking forward to meeting old friends and creating new ones on this trip.

Roger Mullin

Roger qualified for the first time for the 1977 Canadian team along with his younger and more talented brother, Tim. Making the then month long commitment required interrupting a professional training program, quitting one job and finding another, as well as abandoning wife and toddler daughter, all because "making the team might never happen again and what are the odds of the two of us qualifying at the same time a second time?" More than twenty additional Bisley visits were to follow, both on national or provincial teams as well as several as an unaffiliated individual. Roger's shooting career can be best described as enthusiastic but modestly accomplished – a handful of memorable (at least to him) wins in Canada and one at Bisley that first year, sharing a target at 1000 yards with an intimidatingly famous Fulton and outshooting him to his vocal dismay. He has served on provincial and national governing bodies as well as on the IRRG of ICFRA for a number of years and captained or helped to administer a number of Canadian teams (including to Bisley, Kenya, and another to the US), Now 77, retired from medical practice and in less than stellar health, this is Roger's swansong to Bisley attending as a camp follower and aiding in whatever way needed, with no rifle in hand, soaking up the atmosphere for the last time. It's not just the British who love this place.

Avtar Nanrey

Hometown: Brampton, Ontario, Canada

Shooting Experience: Avtar's shooting journey began in 2005 with the Army Cadets in India, where he won the Cadets Championship in his very first competition. After a long hiatus from 2007 to 2021, he resumed his passion for shooting with the support of the Ontario Rifle Association. In his first year back, 2022, Avtar excelled by winning almost all matches in the Expert classification. The following year, 2023, he dominated the Master's class, secured second place in the Lt. Governor's match, and the Grand Aggregate. Avtar was also a member of the Canadian Palma Team that visited South Africa this year.

Profession: Software Architect with IBM Canada

Hobbies/Interests: When he's not on the range, Avtar enjoys handy work around the house like car and house repair, reading books, and parenting his two children.

Steven Spinney

Steven is from Nestleton Station, Ontario, a little town about an hour's drive from Toronto. He started target shooting longer ago than he would like to admit. For the majority of that time, he has been a smallbore shooter. During this time, he has won numerous provincial and national competitions. Although he no longer competes in national smallbore events, he still holds an international "A" Judge's license for the International Sports Shooting Federation and has travelled around the world to attend international matches.

Steven is on the council of the Ontario Rifle Association and the Dominion of Canada Rifle Association.

About 18 years ago, Steven saw the light and took up fullbore shooting. He calculated that at the pace he was improving, he should have been competitive in fullbore by the time he retired. Now retired after 46 years with a packaging company, he is still working at it. He and his wife Maureen, who retired after being a long-time member of the Canadian Smallbore Rifle Team, just celebrated their 46th wedding anniversary. She will be accompanying Steven this year and they will be spending some time visiting friends and relatives. In his spare time, Steven is involved with Photograph and Astronomy. This will be his 12th trip to Bisley on the Canadian Team.

Gale Stewart

Gale Stewart Ph.D., retired Microbiology adjunct professor, aka Nicole's reloading slave.

This year will be my 49th year as a member of the Club de Tir Castors de Charlesbourg in Quebec City where I started shooting Pistol for a few years and (finally) saw the light with fullbore and smallbore rifle.

Most of my shooting career was with smallbore, the highlight having twice tied the ISSF World record of 600/600 points in 1986 Suhl (GDR) and 1987 Zurich (SUI). Since 2017, I have been involved as the National coach for our disabled shooting team.

I am now enjoying fullbore shooting with my partner and teammate, Nicole Rossignol. At Bisley, my proudest moment was acting as combined Commandant, Adjutant, Coach and best (sole) Canadian shooter at the 2021 Imperial, LOL.

Mike Wong Shui

Mike first qualified for the Canadian Bisley Rifle Team in 1981. Since then, he has qualified for 30 teams, and this will be his 17th trip to the Imperial Matches as a shooter. He has also been 4 times as a Coach.

As a member of The Canadian Rifle Team, Mike has also competed in Australia, USA, South Africa, Jamaica and New Zealand.

Mike worked as a dispensing optician in the province of Ontario before retiring. He currently resides in Mississauga with wife Diane.

Geoff Woodman

Geoff (“Woody”) started shooting competitive fullbore target rifle in 1993. Two years later he attended his first DCRA National Competition. Since that time he has qualified for sixteen Bisley Teams during the Canadian Fullbore Rifle Championships at Connaught & Borden Ranges in Ontario.

The 155th NRA Imperial Meeting will be Geoff’s ninth trip to Bisley with Team Canada. He has also been a member of three Palma Teams as well as a shooting member for the America, Australia, Canada, Commonwealth, Kolapore, Mackinnon & Overseas Team matches.

Geoff is keenly looking forward to the intense competition and unique challenges at Century and Stickledown ranges, and of course, renewing old friendships through a friendly pint at the end of the shooting day.

Geoff is self employed and mostly retired. He has a background in accounting, finance and management in the seafood processing industry. He resides in the coastal village of New Harbour, with his wife Nicole and son Jonah, in Canada’s easternmost province of Newfoundland.

Other interests include walking, swimming, biking, blue water fishing, big game hunting, snowmobiling & exploring Newfoundland’s vast backcountry.

The Ontario Rifle Association

extends best wishes to the 2024 Canadian Bisley Team for a successful competition at the Bisley Imperial Meeting 2024, especially to the members of the team who are members of the ORA

THE MACDONALD STEWART CANADIAN PAVILION AT BISLEY

For over 100 years, Canadian Rifle Teams visiting Bisley have been well accommodated in a handsome building owned by the Dominion of Canada Rifle Association. The building is a 2 story colonial design with a broad veranda and contains all the facilities necessary for a visiting team to be away from home. Construction began in 1897 and Canadian materials were used throughout. Displayed in one of the dining rooms are pictures of almost every Canadian Rifle Team to have participated in the NRA's Imperial Meeting. The pavilion also contains most of its original furnishings, including many interesting shooting memorabilia from the turn of the century.

Over the fireplace in the large entrance lobby hangs the stuffed head of a bison, wearing a Stetson hat, and with a cigarette dangling from its lips. Both the Stetson and cigarette are traditionally awarded to the winner of the Queen's Prize who sometimes also gets to fire the cannon which is outside on the lawn.

In 1975, the Pavilion was dedicated to the memory of Walter M. Stewart, a lifetime benefactor of the Association. His son, the late Colonel David Macdonald Stewart, was Commandant of the 100th Canadian Rifle Team in 1983. 1990 was the 100th anniversary of the NRA at Bisley, and appropriately, Mrs. David Stewart was Commandant of the DCRA team. Mrs. Stewart was again the Commandant in 1997 when the 100th anniversary of the Macdonald Stewart Pavilion was celebrated. David Stewart and Mrs. Stewart shared many goals including a continuing and generous interest in the welfare of the Macdonald Stewart Pavilion. We are most grateful for this distinguished patronage.

It will be readily appreciated that the upkeep of a large and historical structure like the Macdonald Stewart Pavilion is an expensive proposition. The Macdonald Stewart Foundation is our primary benefactor but there are, fortunately, a number of other supporters. Donations are welcome and are tax deductible.
